2013 MIDYEAR PROGRAMMING

Expert speakers will be presenting a full day of continuing education programming to energize a variety of pharmacy practice settings at the 2013 OPA Midyear Meeting. And you can add seven hours of CE credit to your portfolio, including one hour of Ohio Board of Pharmacy-approved jurisprudence credit.

Drug Interactions: A Comprehensive Review

As drug interaction alerts continue to increase, it becomes even more important to know which interactions are clinically significant. This program will explain the differences between pharmacodynamic and pharmacokinetic interactions; medications and patients at high risk; and the role of the CYP 450 system in pharmacokinetic drug interactions.

Teresa Hoffmann, R.Ph., PharmD, CDE, CLS, BCPS, BCACP, Clinical Supervisor at the Medication Management Clinic, St. Rita's Medical Center, Lima, OH. ***ACPE #0129-0000-13-077-L01-P*** 0.1 CEU

Serving the Underserved

Pharmacists are frequently asked to identify health resources for the poor in their area. This session will discuss types of poverty and the challenges those in poverty face; health care for the poor and models of care to address those challenges; the mental model of poverty; and available resources for health care professionals.

Alexa Sevin, R.Ph., PharmD, PGY2 Ambulatory Care Pharmacy Practice Resident, OSU, Columbus Neighborhood Health Centers; and *Holly Fahey, R.Ph., PharmD,* Manager of Clinical Operations and Experiential Education, The Charitable Pharmacy of Central Ohio
ACPE #0129-0000-13-078-L04-P 0.1 CEU

2013 Review of Ohio Pharmacy Law

This session will discuss the legal requirements for dispensing controlled substances for weight loss, including the new drugs Qsymia® and Belviq®; faxed, electronic or e-scripts; documentation; partial filling; and the timing and use of OARRS reports to help detect drug diversion. The proper components of patient counseling, and legal requirements for selling syringes will also be discussed. *This program is approved for 0.1 CEU (one contact hour) of Ohio Board-approved jurisprudence CE.*

Donald Sullivan, R.Ph, PhD, Professor of Pharmacy Practice, Ohio Northern University, College of Pharmacy
ACPE #0129-0000-13-079-L03-P 0.1 CEU
Application-based activity

MS: Update on Current and Emerging Therapies

This presentation will discuss the etiology and pathophysiology of multiple sclerosis. Current and emerging approaches to treatment, including drug mechanism, dose, route, adverse effect(s), cost of patient care, and effective patient counseling, will be included.

Richard W. Dudley, R.Ph., PhD, Associate Professor, Department of Pharmaceutical Sciences, The University of Findlay, College of Pharmacy ***ACPE #0129-0000-13-080-L01-P*** 0.1 CEU

Starting MTM Services: From Idea Inception to Implementation

Many pharmacists are interested and excited about starting MTM services, but don't know where to begin. This presentation will follow one organization's blueprint to implement MTM services from idea generation to business plan preparation, to identification of basics and key learning points along the way. This model will include pieces and parts applicable to many practice sites. 0.1 CEU

Chet Kaczor, R.Ph., PharmD, MBA, Manager, Ambulatory Pharmacy Services, and *Emily Middleton, R.Ph., PharmD,* Staff Pharmacist, Nationwide Children's Hospital ***ACPE #0129-0000-13-081-L04-P***

Choosing the Right Pill: Oral Contraceptive Basics

This program will highlight the pharmacology of oral contraceptives (OCs), evaluate available OC products, and characterize which medications are most effective/acceptable in various patient populations. Our speaker will provide a good "101/Review" of oral contraceptives including pharmacology, therapeutics, and side effect profiles.

Ashley M. Sweaney, R.Ph., PharmD, Medication Management Specialist and Clinical Assistant Professor, OSU College of Pharmacy, Medication Management Program ***ACPE #0129-0000-13-082-L01-P*** 0.1 CEU

Opioids in Chronic, Non-terminal Pain

Evidence exists for and against the use of chronic opioid therapy for non-terminal pain. This presentation will cover both, as well as the recently approved guidelines for prescribing opioids for chronic, non-terminal pain including the Morphine Equivalent Daily Dose (MED).

Amber Hartman, R.Ph., PharmD, Specialty Practice Pharmacist, Palliative Medicine, Arthur G. James Cancer Hospital, OSU
ACPE #0129-0000-13-083-L01-P 0.1 CEU

CONTINUING EDUCATION CREDIT

This meeting is targeted to all pharmacists. The continuing education for this program is coordinated by the Ohio Pharmacists Foundation (OPF). To receive continuing pharmacy education credit, you must complete the CE form indicating programs attended. Sign, date, and return the CE form to the OPA staff or office. Your CE credit will be uploaded to the CPE Monitor. Learning objectives for the continuing pharmacy education programs can be found on the OPA website at www.ohiopharmacists.org. All CE sessions are knowledge-based activities unless otherwise indicated. The Ohio Pharmacists Foundation adheres to ACPE Standards regarding industry support of continuing pharmacy education. Disclosure of faculty and commercial support relationships will be made known at the activity. Speakers are expected to openly disclose intent to discuss any off-label or investigational use of drugs, devices, or equipment in their presentations.

CONFIRMATION AND HOTEL INFORMATION

Upon registration, a confirmation letter or email will be sent to you along with hotel information and driving directions. From the OPA homepage (www.ohiopharmacists.org), you can click on the *Midyear* link under *Events* to find *Hilliard Area Hotels*.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
