2013 UPDATE IN HEMATOLOGY & ONCOLOGY

UNLABELED USAGE STATEMENT

The information presented at the MSHO Annual CME Symposium, 2013 Update in Hematology and Oncology, is that of the contributing faculty and does not necessarily represent the views of the Michigan Society of Hematology and Oncology and/or any named commercial entity providing financial support. Specific therapies discussed may not be approved and/or specified for use as indicated by the faculty presenters. Therefore, before prescribing any medication, please review the complete prescribing information including indications, contraindications, warnings, precautions, and adverse effects.

ACCREDITATION AND DESIGNATION OF CREDIT

This activity has been planned and implemented in accordance with the Accreditation Elements and Policies of the Michigan State Medical Society through the joint sponsorship of Munson Medical Center and Michigan Society of Hematology and Oncology. Munson Medical Center is accredited by the Michigan State Medical Society Committee on CME Accreditation to provide continuing medical education for physicians. Munson Medical Center designates this Joint Sponsored LIVE course for a minimum of 4.5 "AMA PRA Category 1 Credit™" each. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Update in Hematology and Oncology

September 21, 2013

Grand Traverse Resort

PROGRAM DESCRIPTION

The medical symposium is intended to disseminate current information on specific problems in the management of cancer patients to practicing physicians. Presentations and discussion of these recognized controversial topics will increase awareness and improve the overall standard of treatment of oncology patients throughout the State of Michigan.

TARGET AUDIENCE

This continuing medical education program will be of interest to, medical oncologists, hematologists, physician assistants, nurse practitioners, oncology nurses, family and general practitioners, internists, and other health care professionals who deliver care to cancer patients.

EDUCATIONAL NEEDS STATEMENT

Oncology is a continuously evolving area of medicine, and new developments provide tools for the physicians, scientists and health care professionals to help diagnose and treat cancer. Continuing education is essential to study and evaluate new findings, to inform practitioners of new clinical applications and to improve patient care.

PROGRAM OBJECTIVES

At the conclusion of this program, participants will understand and be able to implement:

- The basis for anti-HER2 therapy in the adjuvant setting.
- Clinical applications of recent therapies for prostate cancer.
- Evaluate risk of relapse after surgery for localized GIST.
- Treatment recommendations for LGL Leukemia.
- The appropriate toxicity management in the treatment of mCRC.

AGENDA

7:15 am	**BREAKFAST**
7:50 am	Welcome & Introduction **Richard Kosinski, M.D.**
