

4. FISCHER HOMES

FISCHERHOMES.COM

An authentic mid-century postman's desk in the study is a nod to the 1950s writings of historian James Truslow Adams, who popularized the phrase, "American Dream."

MUST SEE: The home features many distinctive architectural features, both inside and out, while maintaining a high degree of livability.

Sq. ft.: 3,348
 Beds/Baths: 4/3
 Garage size: 3-Car
 Price: \$499,990
