MEET THE BUILDER: Manor Homes has been a family-owned company building in central Ohio since 1989. Manor Homes is proud that its customer-first philosophy and devotion to excellence have always been the cornerstones of the business. Our Energy Star award-winning homes are backed by an outstanding warranty program that provides structural soundness,

higher resale value and confidence to every homeowner. We provide the flexibility to give each home a personal touch while enjoying open communication with homeowners throughout the building process, and we look forward to working with you on your lot or ours.
