

Need help paying for the costs of getting to and from your doctor's office or treatment facility?

Help with transportation costs is available for eligible oncology patients including those with:

- Metastatic breast cancer
- Squamous non-small cell lung cancer
- Metastatic pancreatic cancer

“CancerCare® Get You There” is a program that can help you with transportation costs such as gasoline, parking, tolls, and taxi, bus, or train fare.

To be eligible,^a you must:

- Have a diagnosis of cancer, including metastatic breast cancer, squamous non-small cell lung cancer, or metastatic pancreatic cancer, confirmed by an oncology healthcare provider
- Be in active treatment
- Live in the US or Puerto Rico
- Meet financial eligibility guidelines

^a The eligibility criteria, application, review, approval, and funding are in the sole control of CancerCare®.

To learn more or to apply, please call 800-813-HOPE (4673) or visit www.cancercare.org/financial for more information
