

My Career Dreams

When I grow up, I can do anything.
I might dance and sing.
I might be a teacher.
I might be a preacher.
I might play soccer.
I might be a doctor.
I might drive a racecar.
I might be a movie star.
I might fly a plane.
I might drive a train.
I might write a book.
I might be a cook.
I'm not sure what I'll be.
You'll just have to wait and see.
