

I DREAM, I DREAM OF WHAT TO BE!

I dream, I dream of what to be...

I dream, I dream, I sing to me

I dream, I dream a Doctor to be...

I dream, I dream, I sing to me

I dream, I dream a Teacher to be...

I dream, I dream I sing to me

I dream, I dream a Designer to be...

I dream, I dream, I sing to me

I dream, I dream a Dancer to be...

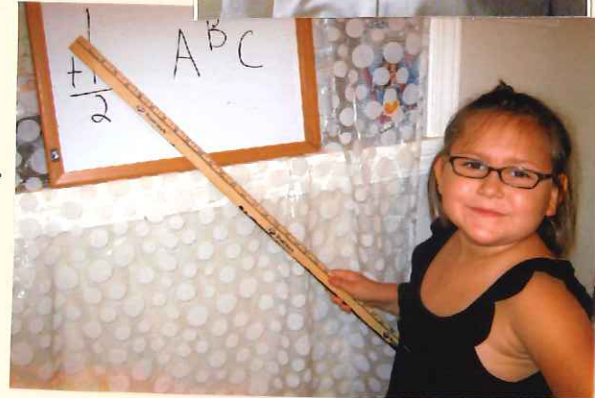

I dream, I dream, I sing to me

I dream, I dream a stage I see...

I dream, I dream I sing to me

I dream, I dream a Singer I'll be...

I dream, I dream I'm sure that's what I'll be...
