CROSSING THE BAR

Sunset and evening star,

And one clear call for me!

And may there be no moaning of the bar,

When I put out to sea,

But such a tide as moving seems asleep,

Too full for sound and foam,

When that which drew from out the boundless deep

Turns again home.

Twilight and evening bell,

And after that the dark!

And may there be no sadness of farewell,

When I embark;

For though from out our bourne of Time and Place

The flood may bear me far,

I hope to see my Pilot face to face

When I have crossed the bar.

-Alfred Lord Tennyson

NCPLA Code of Conduct

The professional lobbyist plays an important role in our system of government by helping to ensure that lawmakers have full and accurate information with which to make decisions. Members of the North Carolina Professional Lobbyists Association (NCPLA) have an obligation to conduct themselves in such a way that they maintain public respect for their profession and for the legislative process.

Members of the North Carolina Professional Lobbyists Association:

- *Shall conduct with integrity and honesty all relations with public office holders, clients, potential clients, employers, the public, and other lobbyists.*
- *Shall comply with all applicable laws and regulations governing lobbying, as well as standards of conduct applying to officials and staff of the North Carolina General Assembly.*
- *Shall disclose the identity of the person or organization for whom they are acting.*
- *Shall provide information that is accurate and factual to public office holders, and shall not engage in misrepresentation of any nature.*
- *Shall not divulge confidential information unless they have obtained the informed consent of their client, employer or organization, or such disclosure is required by law.*
- *Shall not place public office holders in a conflict of interest by proposing or undertaking any action that would constitute an improper influence on a public office holder.*
