

NJSOM Corporate Sponsorship Request

January 1, 2015- December 31, 2015

December 12, 2014

Dear Corporate Sponsor:

The New Jersey Society of Oncology Managers would like to thank you for your continued interest and support of our association. We would like to invite you to participate as a corporate sponsor for 2015.

NJSOM membership is not limited to practice administrators. It includes oncology nurses, pharmacists, physicians and other healthcare professionals. Our membership represents approximately 40 medical oncology practices in New Jersey. NJSOM is recognized as a leader in education throughout the state. Your support is vital to our mission in supporting community based oncology practices.

Every year NJSOM has 2 one day meetings as well as our annual two day fall conference. Your decision to become a corporate member represents not only a partnership but future growth, development and innovation. Your support will assist NJSOM in networking, best practice information sharing, leadership development, technology updates and the latest changes in approved medications, reimbursement and coding.
