**Registration Information**

Register online at [www.oaba.net](http://www.oaba.net) by clicking the calendar tab and going to event listing.

The Crop Production Conference offers a comprehensive program designed to provide current information useful to anyone in the agronomy industry.

The Agronomy Workshop offers a more advanced, in-depth, hands-on opportunity to explore specific topics of interest to help understand today's complex agronomics.

Together they provide an unparalleled educational opportunity for those serious about staying abreast of the current and most important agronomic topics.

Advance registration is \$75.00 per person for the Crop Production Conference and 100.00 per person for the Agronomy Workshop. The registration fee for both programs is \$165.00. (Includes all handouts, breaks and lunch.)

Registrations received in the OABA office after January 4, 2010 will be charged a \$15.00 late fee. Cancellations must be received by January 5th to be eligible for a refund. *There is a \$20.00 processing fee per refund requested.*
