

Each year, the Ohio AgriBusiness Association Educational Trust hosts two *Golf for Scholarships* outings to raise scholarship dollars for upcoming agribusiness professionals. The golf outings are the Educational Trust's primary fundraising activity to support the scholarship program, through which nearly \$35,000 in financial assistance is provided to students enrolled in an agriculture-related field attending The Ohio State University, the OSU Agricultural Technical Institute, Clark State Community College and Wilmington College. For more outing information, go to oaba.net/events.

This is a great opportunity to support students who will soon be entering our workforce, and to receive sponsorship recognition through event materials and signage. We hope you will support aspiring agribusiness professionals by taking a minute to pledge your support by submitting the below form.

Yes, I will support the OABA Educational Trust *Golf for Scholarships* Outings by:

(Complete and submit via email: info@oaba.net; fax: 614-326-7519; or mail: 5151 Reed Road, Suite 126-C; Columbus, OH 43220.)
