# ALL OHIO EMERGENCY MEDICINE ASSEMBLY

**JUNE 5, 2012 • 8 AM TO 4 PM**  
**EMBASSY SUITES (DUBLIN, OHIO)**

Dear Ohio ACEP Member,

For 40 years, Ohio ACEP has served the state's emergency physicians through tireless advocacy, nationally-recognized continuing medical education and physician leadership development. When it was chartered in 1972, Ohio ACEP's mission was simple: to promote quality emergency medical care and to represent the interests of Ohio's emergency physicians. Since then, Ohio ACEP has grown as Ohio's leading advocate for advancing emergency medical care.

Over the years, we have expanded the services we offer to our members, including several world-class continuing medical education courses and acclaimed board review products. We are also pleased to offer development programs that empower physicians to serve as leaders in their profession. Today, we're proud to have well over 1,250 emergency physicians, residents and medical students as members. Many of our members have served as state and national leaders in the field of emergency medicine and maintain active roles in Ohio ACEP instruction and leadership.

On behalf of the Ohio ACEP Board of Directors, we are delighted to invite you to attend the All Ohio Emergency Medicine Assembly on June 5, 2012 and the chapter's 40<sup>th</sup> Anniversary celebration. This dynamic event will have something for everyone! Attending physicians, residents, medical students, academics, administrators and clinicians alike will benefit from this exciting program which will include both career and clinical topics.

We hope you will consider joining us as Ohio ACEP looks forward to welcoming you to this event!

Warm Regards,

Thomas W Lukens, MD, PhD, FACEP  
Chapter President

Laura Tiberi, MA, CAE  
Executive Director
