#### ASSEMBLY OBJECTIVES:

Winter Symposium courses are designed to provide up-to-date information on issues, topics and new techniques that will help Emergency Physicians improve their practice. The courses are presented by experts selected for their outstanding teaching ability and experience in their particular field of expertise.

#### LEARNING OBJECTIVES:

1) Demonstrate competence of evidence based medicine as referenced on the ABEM LLSA list and application to clinical practice, so that ABEM certification will be maintained. 2) Demonstrate competence by the community emergency physician in managing the pediatric patient, including pediatric dermatology, and management of pediatric patients, so that rare cardiac & critical care disorders are properly managed. 3) Demonstrate competency by the community emergency physician in developing an understanding of ICS and its significance for the ED; and contrast both good and poor emergency management and preparation for an event.

#### TARGET AUDIENCE:

Winter Symposium courses are offered to professionals involved with Emergency Medicine including Physicians, Physician Assistants, Nurses, and Paramedics/EMT's.

#### LODGING:

Please use the form within this brochure to make your reservation at the Mountain Grand Lodge at Boyne Mountain. Alternative lodging is available in the area. If interested, please contact the MCEP office.
