

9th Annual

# Obesity Summit

Science and Practice of Obesity Management

**October 2 – 3, 2014**

InterContinental Hotel and Bank of America Conference Center  
Cleveland, OH

Join us for an engaging learning experience to understand the link between science and patient care

## Featuring these important topics:

- Are you up-to-date with the new guidelines for obesity treatment?
- Learn about new FDA approved weight loss drugs
- Improve your knowledge in the science of obesity and new discoveries in brown fat
- Identify the link between obesity and arthritis
- Learn about the expanded role of surgery in treating obesity and diabetes
- Discover new web-based mobile tools for obesity management

## Who Should Attend

Physicians in all specialties including advanced practice nurses, physician assistants, nurses, dieticians, and all allied health professionals interested in learning more about the management of obesity and recent advances in patient care.

## Call for Abstracts

Clinical and research abstracts are being accepted. Submission deadline is September 5, 2014.

This activity has been approved for **AMA PRA Category 1 Credit™**.

**For more information, contact the Center for Continuing Education:**  
216.448.0770 or 800.238.6750.
