8:00 am to 4:30 pm Monday through Friday

The Ohio Pediatric Palliative Care and End-of-Life Network (OPPEN) offers information to parents and providers through The Comfort Line.

Now available through Ask Children's\* service, The Comfort Line has skilled pediatric palliative care physicians and advanced practice nurses on call to give you:

- ❖ Answers to specific medical questions related to pediatric pain and symptom management
- ❖ Discussion of questions you may have about pediatric palliative care, hospice, chronic illness or end-of-life issues

Comfort Line staff can also provide you with:

- \* Referrals to palliative care or hospice providers
- ❖ Information about other related community agencies and resources

<sup>\*</sup> A medical advice and referral service of Akron Children's Hospital, Akron, Ohio
