KEVIN LONG
NEW YORK YANKEES

New York Yankees hitting Coach Kevin Long and the Ohio State Baseball Coaching Staff are teaming up to offer their annual Coaches Clinic at The Ohio State University. The clinic will be a three hour symposium from 6 pm until 9 pm at The Huntington Club at Ohio Stadium located on the Ohio State campus. The Clinic is open to youth, club and high school coaches. Food will be served during the Coaches Social. Yankees Hitting Coach Kevin Long and Ohio State Head Coach Greg Beals will cover all aspects of hitting, have video analysis of different players swing, and have a Q & A.

Kevin Long returned for his seventh season as the Yankees hitting coach in 2013. The Yankees have led the Majors in runs scored in three of his six years with the club. The Yankees led all of Major League Baseball in Home Runs in each of the last two seasons (222 HR in 2011; 245 HR in 2012). In 2012, the Yankees led the league in Slugging Percentage (.453) and On-base Plus Slugging (.790) while finishing 2nd in runs scored (804) and On Base Percentage (.337).

Greg Beals is entering his 4th year at the helm of the Buckeye baseball program. In Beals first 3 years, the Buckeyes have cumulated a 93-76 record and made an appearance in the Big Ten Tournament in all 3 seasons. Under Beals direction, five players have been drafted in the annual Major League Baseball draft and six players, who played under Beals at Ohio State, are currently in Major League organizations. Before coming to Ohio State, Beals spent 8 years as the head baseball coach at Ball State University. Beals led the Cardinals to a 243-202 record in his time at Ball State, winning 3 MAC division titles and also leading the Cardinals to a NCAA regional in 2006. In his 8 seasons at Ball State, 21 of Beals' players were selected in the Major League Baseball Draft.

Don't miss this opportunity to learn from Kevin Long, Head OSU Baseball Coach Greg Beals and the entire Ohio State Baseball coaching staff.
