# 2013 OHIO OSTEOPATHIC SYMPOSIUM

## We look forward to seeing you at the Symposium

**John F. Ramey, D.O. ('92)**

On behalf of the Ohio Osteopathic Association and the OU-HCOM Society of Alumni and Friends, we encourage you to join us at the Hilton Columbus at Easton May 15-19, 2013. The Ohio Osteopathic Symposium promises to once again offer an excellent agenda packed with engaging, intelligent and stimulating medical education sessions – presented by experts in their areas of study and practice.

Our objective is to deliver a well-constructed CME program that offers you innovative and timely information and insight that you will immediately put to use in your practice. The Symposium also provides a great opportunity to meet colleagues from around the state and region and reconnect with your peers. It is our honor and pleasure to invite you to the 2013 Ohio Osteopathic Symposium.

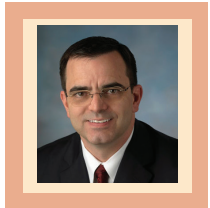

**Gregory Hill, D.O., ('86), FAOAO**

## Honor our Veterans and their Families

On Friday, we will honor our veterans and their families. Lectures will cover the unique health issues—from the war zone to the home front—of veterans and their families, culminating with a keynote address from J.D. Polk, D.O. The Consortium for Health Education in Appalachian Ohio, an Area Health Education Center (AHEC) housed within OU-HCOM, is participating with the Ohio Statewide AHEC and the National AHEC Organization to support and provide the Veterans CME programming. Our objective is to help Ohio D.O.s honor America's veterans and their families by providing exceptional care that improves the health and well-being of those who serve our country.

### **J.D. Polk, D.O., MS, MMM, CPE, FACOEP**

Dr. J.D. Polk is the Principal Deputy Assistant Secretary for Health Affairs and Deputy Chief Medical Officer of the Department of Homeland Security (DHS). He began serving in this position in November of 2011. Prior to his work at DHS, Polk was the Deputy Chief Medical Officer and Chief of Space Medicine for the National Aeronautics and Space Administration's (NASA) Johnson Space Center and an Assistant Professor in the Departments of Pre-

ventive Medicine and Emergency Medicine at the University of Texas Medical Branch, as well as an attending emergency physician with the Clear Lake ER group. Polk has published extensively in the areas of emergency medicine, austere medicine, disaster response, air transport, aerospace medicine and medical management. He has received numerous awards and commendations.

**WEDNESDAY, May 15**

6:00 a.m. – 9:00 p.m.

### **DINNER and WORKSHOP**

**Ohio ACOFP Annual Meeting and  
Family Practice Update  
Presenting A Special Workshop  
in Dermatology**

Dawn L. Sammons, D.O. ('03)

This unique workshop was designed to encourage interaction, group discussion and problem-solving.

A group of expert faculty will move from table-to-table and teach participants how to identify and treat the most common skin disorders seen in primary care; recognize and begin initial treatment of the less common, but more serious skin disorders and select patients to refer for dermatology consultation; and identify malignant and premalignant skin tumors and evaluate appropriate biopsy options, management options and referral criteria.

## CME Credit

OU-HCOM's Consortium for Health Education in Appalachian Ohio an Area Health Education Center (AHEC) Office of Continuing Medical Education is approved as an accredited CME sponsor by the American Osteopathic Association. It is anticipated that this program will be approved for 32.5 hours of AOA Category 1A credit pending approval by the AOA CME Council. Specialty credits may be awarded in a variety of areas. The Ohio University Heritage College of Osteopathic Medicine will submit your credit hours to the AOA and provide attendance certificates for your records. To receive credit, you will need to sign in at the registration table upon arrival and complete the CME Verification Request Form before departing the Symposium. A breakdown of credit hours available by day will be posted on the [www.oucom.ohiou.edu/oos/](http://www.oucom.ohiou.edu/oos/) web site and available on-site. Credits cannot be issued to physicians failing to sign in.

An additional 3 category 1A credits are available should you choose to complete an Outcomes Assessment Survey which will be emailed to you within 30 days after the Symposium.
