

OU-HCOM CORE Osteopathic Principles and Practices Committee and  
Ohio Regional Chapter of American Association of Osteopathy present:

## 2nd Annual OMM Skills Enhancement Course: Women's Health and Pediatrics

November 15-16, 2013  
OU-HCOM, Athens, OH

**Course Registration deadline: Friday, Nov. 1, 2013**

*Course seats limited – please register early*

### Course Description

An osteopathic manipulative medicine (OMM) program designed to enhance your OMT delivery for women's health and pediatrics. Refine your OMM skills in a course taught by faculty and alumni from OU-HCOM and our partner hospitals in the Centers for Osteopathic Research and Education. Gross anatomy labs will be conducted prior to each lecture, with OMM skills practice after each lecture. Participate in an OPP Summit & Faculty Development evening dinner program and enjoy the historic and beautiful Ohio University campus. \*Earn up to 14 1-A CME credits (anticipated).
