**Additional CME Opportunity**

Our legislators are looking to push legislation through that we scrutinize how we prescribe opioids. We need everyone to sign up for OARRS (Ohio Automated Rx Reporting System). Watch the video in assigned room and take the post test for 1A 1 hr AOA credit to show them we are serious about the treatment of pain.

**GOING GREEN. Bring your laptops!**

Participants may download powerpoint presentations on the FPRR.ORG website during the program - free of charge. For an additional charge of \$15, the FPRR will have flash drives loaded with the presentations provided at Registration. For \$30, you can opt to receive the paper handout, but we hope to do away with paper altogether at future meetings. Please indicate whether you want flash drive or paper on registration form or on the website registration.
