ONE VOICE. ONE VISION. ONE TEAM.

146th Annual Conference & Trade Show

Hilton Columbus at Easton | 3900 Chagrin Drive, Columbus, Ohio 43219

April 5 - 7, 2024, Live | April 16 - June 30, 2024, CPE On-demand

Pharmacists must interact with other healthcare professionals on One Team, with One Voice and One Vision to improve patient outcomes. The 2024 OPA Annual Conference is a great opportunity for pharmacists and student pharmacists to update their knowledge and resources to help them achieve professional satisfaction. Continuing education sessions will be held live April 5-7 with on-demand access available April 16 through June 30, 2024 for full-conference registrants. The full package of on-demand CPE will also be available for purchase by those who cannot attend in person.

The 2024 OPA Annual Conference app/platform content is only available for registered attendees. On April 5-7, onsite attendees can access the schedule, handouts, attendee list, maps to locate sessions and exhibits, and more. Beginning April 16 through June 30, 2024, full-conference registrants can access the on-demand CPE! For event details and registration, go to www.ohio-pharmacists.org/conference.

FRIDAY, April 5

Friday Breakfast Theatre

We are pleased to offer a Breakfast Theatre at this Conference. No additional charge or registration is required. Space is limited to the first 40 attendees.

8:20 am - Options for Medications for Opioid Use Disorder

Presenter: Taylor Laffey, PharmD

No CPE credit is available.

9:00 a.m.

Coping with COEPA: A Preceptor's Guide to Measuring a Student's Practice Readiness

Brenda Pahl, PharmD, BCPS, Associate Professor of Pharmacy Practice, IPPE Director and Zach Jenkins, PharmD, BCPS, APPE Director, Associate Professor of Pharmacy Practice, Cedarville University

The new Curriculum Outcomes and Entrustable Professional Activities (COEPA) standards better reflect entry-level practices across all areas of pharmacy and include a special focus on digital health trends, health equity, and professional identity formation (PIF). This session will walk preceptors and aspiring preceptors through these standards while highlighting ways that preceptors can utilize them to assess a student's practice readiness.

Application-based activity

A Contract Pharmacy's Guide to Navigating 340B Manufacturer Restrictions

Jason Martinez, PharmD, BCACP, Chief Population Health Officer, Community Health & Wellness Partners
Since 2020, the 340B Contract Pharmacy landscape has been constantly changing. This session will outline what pharmacists need to know about the restrictions and how your covered entity partners are adapting.

ACPE #0129-0000-24-016-L04-P 0.1 CEU

The Implications of Chemical Dependency in the Profession of Pharmacy in Ohio and the Role of PRO, Inc.
Andy Pierron, BSPHarm, R.Ph., Executive Director, Pharmacists Rehabilitation Organization, Inc.

The mission of the Pharmacists Rehabilitation Organization, Inc. is to educate and inform the profession of pharmacy concerning chemical dependency, a treatable disease that affects up to 15% of its members, with the goal of helping addicted pharmacists find recovery of their active disease. Our speaker will include recognition, implications, and required treatment of substance use disorder within the pharmacy profession in Ohio.

ACPE #0129-0000-24-017-L01-P 0.1 CEU

Contraceptive Options for Patients with Risk or History of Thrombosis
Leah Fagan, PharmD, PGY-1 Resident, UH Ventures

As estrogen products increase the risk of thrombosis, many patients have limited options for contraception. This session will include a discussion of current studies and recommendations for contraception in women at risk of, or with a history of, thrombosis. Additionally, a new OTC oral contraceptive has been FDA-approved and is expected to be available in early 2024. Potential risks of this OTC option, as well as counseling points for patients purchasing this medication, will be included.

10:10 a.m.

Cardiovascular-Kidney-Metabolic Health: Patient Risk Assessment and Health Equity

Maria (Pruchnicki) Coyle, PharmD, FCCP, BCPS, BCACP, CLS, Associate Professor - Clinical, OSU College of Pharmacy and Specialty Practice Pharmacist, OSU Wexner Medical Center

Metabolic and kidney diseases are increasing in prevalence, and have considerable impact on cardiovascular health in the U.S. This, along with an increasing awareness of social determinants of health, has stimulated

interest in a novel, comprehensive risk assessment framework to identify and manage these related comorbidities. The presenter will introduce the American Heart Association consensus definition for cardiovascular-kidney-metabolic (CKM) syndrome; review relevant, updated sex-specific, race-free estimation equations; and explain different approaches for risk-based prevention strategies across various practice settings. Participants will evaluate patient cases, including patients of minority populations, to understand CKM principles and impact on patient care.

2024 OTC and Self-Care Challenge
Moderators: Max Conrad, PharmD, Retail Pharmacy Manager, Mount Carmel Health System and Mickie Gray, PharmD, Kroger Health

Learn up-to-date information about nonprescription products, along with the rationale for product choices, at OPA's 16th "OTC and Self-Care Challenge – Battle of the Colleges!" Join us for a highly interactive, fun-filled session that will enhance your OTC expertise and update your knowledge of common self-care conditions.

ACPE #0129-0000-24-020-L01-P 0.15 CEU
Sponsored by Kroger Health; Supported by NASPA and the Nonprescription Medicines Academy

Ohio Innovative Practice Forum 2024
Moderators: Jennifer Rodis, PharmD, FAPhA, Professor and Associate Dean for Outreach and Engagement, OSU College of Pharmacy and Aleda Chen, PharmD, PhD, FAPhA, Associate Dean and Professor, Cedarville University School of Pharmacy

Innovative pharmacy practices and services in Ohio will be showcased to help pharmacists initiate or expand novel services and approaches in their own practices. Pharmacists from a variety of practice sites will present examples and share successful implementation strategies and methods for overcoming barriers to offer patient-centered services.

What You Must Know About Women's Hormones: The Science
Pamela W. Smith, M.D., MPH, MS; Personalized Medicine Physician and Author, The Center for Precision Medicine

The science behind women's hormones, their function and replacement, has been extensively studied over the years. This seminar will be conducted by Dr. Pamela W. Smith, M.D., MPH, MS who is an internationally known physician, author, and educator. It will examine the biochemistry and physiology of women's hormones, factors that influence each step, along with reasons to consider hormone replacement therapy as the standard of care for all women. The importance of the triad between the pharmacist, patient, and practitioner will be emphasized in this ground-breaking discussion.

1:30 p.m.

Ohio Research Forum 2024
Moderator: Aleda Chen, PharmD, PhD, FAPhA, Associate Dean and Professor, Cedarville University School of Pharmacy
Research conducted by Ohio pharmacists, college faculty, pharmacy residents and students will be showcased in the annual Ohio Research Forum. Research areas may include those from pharmacy practice, scientific research, economic/social/administrative sciences, and pharmacy education.

ACPE #0129-0000-24-023-L99-P 0.1 CEU
Sponsored by the Council of Ohio Colleges of Pharmacy

Expert Panel Focus Group
Moderator: Sheriff Benson, PharmD, R.Ph., Student Pharmacist Advisor, OPA

Hear from a panel of experts in diverse roles to discuss a patient case and how to navigate factors such as cost, social needs, health and digital literacy, and more. Ask questions and share your thoughts on how to help patients navigate the healthcare system.

No continuing pharmacy education is offered for participation in this session.

Beyond the Counter: OPA's Public Health Initiatives

Moderator: Myriam Shaw Ojeda, PharmD, Director of Pharmacy Extension & Public Health Initiatives, OPA

Interested in learning more about Public Health efforts in the state of Ohio? This session will explore best practices for the management of nicotine use disorder (NUD), pharmacists' role in lead-related public health efforts, and strategies for communicating with rural populations. Participants will learn from current pharmacist efforts happening in Ohio.

ACPE #0129-0000-24-024-L99-P 0.1 CEU

Overview of the Treatment of Post Traumatic Stress Disorder

Christopher Thomas, PharmD, BCPP, BCPS, Director of PGY-1 and PGY-2 Residency Programs and Clinical Pharmacy Practitioner in Psychiatry, Chillicothe VAMC

Post Traumatic Stress Disorder (PTSD) occurs in about 6% of the U.S. population. This presentation will explore the diagnostics of the Trauma and Stress-Related Disorders, along with a review of the pharmacotherapy to treat the symptom clusters of PTSD. Attendees will apply the Veterans Affairs/Department of Defense (VA/DoD) Treatment Guidelines to a patient presenting with PTSD.

Application-based activity

2:40 p.m.

Brain-teaser Questions and Cases in Pharmacy Practice Law
Donnie Sullivan, R.Ph., Ph.D., Professor of Clinical Practice, OSU College of Pharmacy
Argh, not another confusing pharmacy law question. The answers to unique patient situations always seem to elude us and cause stress. We think we have a great understanding of pharmacy practice law or at least know where to find an answer, but alas we do not. This presentation will discuss and interpret dozens of real-world pharmacy practice law cases that pharmacists struggle with every day. This will be an interactive way to learn something new about pharmacy practice law based on questions asked by pharmacists in the trenches.

This program qualifies for State of Ohio Board of Pharmacy Law CPE.

Recreational Marijuana in Ohio: What to Know in 2024

Christopher Hernandez, PharmD, BCACP, Assistant Professor – Practice & Clinical Pharmacist, OSU College of Pharmacy & PrimaryOne Health

In November 2023, Ohio voters approved a law to legalize the recreational use of marijuana in Ohio. Our speaker will review

the updated legislation around recreational marijuana, including licensing and public availability timelines. The anticipated implications of increased marijuana use in the population as it relates to interactions with common prescription-based medications and the potential conditions exacerbated by misuse/overuse of marijuana will be included.

ACPE #0129-0000-24-028-L01-P 0.1 CEU

SATURDAY, April 6

Saturday Breakfast Theatre

We are pleased to offer a Breakfast Theatre at this Conference. No additional charge or registration is required. Space is limited to the first 40 attendees.

8:05 am - Epidemiologic Trends in Adult Invasive Pneumococcal Disease and Unmet Needs

No CPE credit is available.

9:00 a.m.

Deprescribing: An Approach to Optimize Medications
Courtney Myers, PharmD, BCGP, Geriatric Pharmacist Consultant, Absolute Pharmacy, North Canton

Optimizing medications through deprescribing practices is important when managing chronic conditions, reducing adverse events, and improving patient outcomes. By identifying individuals appropriate for deprescribing opportunities, not only are certain risks reduced, but the improvement of clinical and an individual's personal goals may be attained. It is imperative to create a patient-centered strategy for safe medication reduction and/or discontinuation to reduce medication burden and maintain or improve quality of life.

CONTINUING PHARMACY EDUCATION

This Conference is targeted to all pharmacists and student pharmacists. To receive CPE credit for the live sessions, pharmacists must attend the entire session, actively participate, complete the CPE form indicating sessions attended, and return the signed form to OPA within 30 days of the Conference. CPE credit will be uploaded to the CPE Monitor by the end of May.

Learning objectives for each of the CPE activities can be found on the OPA website at www.ohio pharmacists.org. All CPE sessions are knowledge-based activities unless otherwise indicated.

Individuals responsible for planning OPF continuing pharmacy education activities have no relevant financial relationships with ineligible companies to disclose.

The Ohio Pharmacists Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

It's Raining Cats and Dogs: Preventing Veterinary Medication Errors
Lauren Forsythe, PharmD, DICVP, Assistant Professor of Social and Administrative Pharmacy, University of Findlay College of Pharmacy

Pharmacists in the community setting commonly receive prescriptions for animal patients. From a legal perspective, these are handled in the same manner as any other prescription, and they are subject to many of the same errors. However, unique aspects of veterinary medicine compared to human medicine mean that these prescriptions are subject to an additional group of errors. This session will review errors commonly seen with filling veterinary prescriptions and provide ways to prevent these errors while building relationships with veterinarian prescribers.

This program qualifies for State of Ohio Board of Pharmacy patient/medication safety CPE.
ACPE #0129-0000-24-030-L05-P 0.1 CEU
Application-based activity

Right Here, Right Now: Managing Stress and Anxiety in the Moment
Cynthia Knapp Dlugosz, BSPHarm, NBC-HWC, Owner, Pharmacy Work/Life Matters

Faced with unrelenting workplace demands, pharmacists need simple, evidence-based techniques for recognizing and mitigating stress and anxiety as they arise, before they become uncontrollable. During this interactive and experiential presentation, attendees will learn and practice brief interventions that address the physical and mental manifestations of stress and anxiety. Attendees will leave with a personal resilience toolkit that can be deployed as needed during even the busiest of workdays.

Application-based activity
Supported by the American Pharmacists Association

It's a Small World After All – The Importance of Building Connections and Utilizing Professional Organizations
Moderator: Jennifer Wick, PharmD, MPH, BCACP; Assistant Director of Pharmacy for Ambulatory Services, The Christ Hospital Health Network

Students often hear that it is a small world in the field of pharmacy, but understanding the importance of networking and professional organizations during your time in the classroom and shortly after graduation can be difficult. This panel discussion will review the benefits of building a healthy network – from garnering new practice ideas to making hiring connections and creating a support system. In addition, the benefits of professional organizations, such as advocating on your behalf for better working conditions, increased provider recognition, and expanded practice capabilities will be reviewed. Furthermore, students will have the opportunity to inquire about the impact that such activities have on career paths in a variety of settings.

No continuing pharmacy education is offered for participation in this session.

10:10 a.m.

2024 Legislative Update
Michelle Fitzgibbon, President, The Fitzgibbon Group; David Burke, R.Ph., MBA, Executive Director, Ohio Pharmacists Association; E. Michael Murphy, PharmD, MBA, Advisor for State Government Affairs, American Pharmacists Association

This session will include information for pharmacists on the latest legislative and regulatory changes coming out of both Columbus and Washington, DC, which will impact the practice of pharmacy. This presentation will include timely updates on the status of current legislation and recently adopted Pharmacy Board Rules. The speakers will also provide an update for OPA's legislative agenda for the remainder of the 135th General Assembly (2023-2024).

ACPE #0129-0000-24-032-L99-P 0.15 CEU

Immunization Update 2024
Rebecca Lahrman, PharmD, R.Ph., MS, BCACP, Assistant Professor, OSU College of Pharmacy and Andrea Kowalski, PharmD, R.Ph., Director of Clinical Services, Shrivvers Pharmacy

This presentation will review the Centers for Disease Control and Prevention (CDC) identified trends in vaccine-preventable disease prevalence this past year, and recent changes in recommendations from the CDC Advisory Committee on Immunization Practices including new vaccines. Review of Ohio based tools for immunizing will be presented along with national tools to assist pharmacists in their clinical decision skills. Lastly, a review of travel immunization recommendations and education for patients to support the resurgence of travel post COVID.

Biosimilar is a Four Letter Word: Making Sense of the Suffix
Meghan Fox, PharmD; Sarah Lorenzen, PharmD, BCACP, CSP; Dana Ortiz, PharmD, BCMTMS; Amanda Porter, PharmD, BCACP; Outpatient Clinical Pharmacists, UT Access Pharmacy

In response to the biosimilar market continuing to evolve and rapidly expand, this session will provide an introduction to biosimilar medications that will be geared toward outpatient and retail pharmacists. We will provide an introductory course to assist pharmacists in managing the changing landscape of biosimilar medications in their day-to-day roles, as well as tips and tools to assist patients who are also navigating therapeutic changes. We will also discuss the managed care implications of the biosimilar market and how they will translate to patient care as the market continues to change.

Registration and attendance at, or participation in, OPA meetings and other activities constitute an agreement by the registrant to OPA's use and distribution (both now and in the future) of the registrant or attendee's image in photographs, videotapes, and electronic reproduction of such events and activities.

A confirmation will be emailed upon receipt of registration. Requests for conference registration refunds, less \$25 administrative fee, will be honored if received by 3/28/24.

*** SPECIAL MEMBERSHIP/REGISTRATION CONFERENCE PACKAGE**

New members will enjoy OPA member benefits such as the *Ohio Pharmacy Newslines* email and legislative updates; the bi-monthly *Ohio Pharmacist* journal with home-study continuing pharmacy education, including CPE that qualifies for the State of Ohio Board of Pharmacy jurisprudence and patient/medication safety credit; access to the *Members-Only* section of the website, and much more. Check it out at www.ohiopharmacists.org.

College Attended _____ Year of Graduation _____

Membership dues may constitute an ordinary and necessary business expense, but are not considered a charitable deduction. A portion of dues, however, is not deductible as an ordinary and necessary business expense to the extent that OPA engages in state or federal lobbying. The non-deductible portion for 2024 is 18%. The special offer is available to NEW OPA Members only (those who were not OPA members in 2022 or 2023).

One Voice. One Vision. One Team.
OPA Annual Conference & Trade Show - April 5-7, 2024
Register Today!

Special Events of the Annual Conference

April 5-7, 2024, Hilton Columbus at Easton, Columbus, Ohio

Awards & PAC Luncheon

Friday 11:45 am - 1:20 pm

OPA will recognize excellence in the profession, in the community, and in the Association. Current issues impacting the profession of pharmacy will be presented. We encourage you to continue supporting OPA's PAC during the Luncheon or anytime throughout the year by using the green DONATE button on the OPA website. Your contributions ensure that we can support members of the Ohio General Assembly who are proponents of OPA's Policy Agenda.

Trade Show and Networking

Friday 3:45 - 5:30 pm

Meet exhibitors to learn about products and services. Enjoy hors d'oeuvres, refreshments, and a cash bar while you reconnect with friends and colleagues.

Poster Session

Friday 3:45 - 5:30 pm

Our annual Poster Session will feature the research and innovative practices of faculty and students from Ohio's colleges of pharmacy, as well as practitioners from around the state.

Residency and Fellowship Expo

Friday 3:45 - 5:30 pm

The Expo is your chance to meet residents, fellows,

and program directors from across the state. Come with questions and discover what programs could be a good fit for your career.

Trade Show, Lunch, Prizes & Headshot Opportunity

Saturday 11:40 am - 1:50 pm

Have lunch and visit exhibits for a chance to win a BIG prize! Sponsored by NPX, professional, head & shoulders photos will be offered for free on a first come, first served basis during exhibit hours.

OPA Entrepreneurship Experience

Saturday 11:40 am - 1:50 pm

Meet Ohio pharmacists who are entrepreneurs. Learn

about their products, services, and journey.

House of Delegates

Saturday 4:05 pm

The House of Delegates serves as the policy-making body of the Association. Be a part of decisions made for the future of pharmacy practice in Ohio through the Resolutions and Bylaws processes.

Pharmacy Reception, President's Banquet, & Dessert Reception

Saturday 6:30 pm

Come to the Installation of OPA President Jen Rodis and the 2024-2025 Board of Trustees.

This event requires an additional fee on the registration form.
