Note: For this to be a **valid** letter, the self-insured department for self-insured employers, or the employer services department for all other employers, must stamp it. Being temporary in nature, BWC will not record via computer or retain this authorization. Representative must possess a copy when requesting service relative to the authority granted therein.

This is to certify that The Frank Gates Service Company including its agents or representatives identified to you by them, has been retained to review and perform studies on certain workers' compensation matters on our behalf.

The limited letter of authority provides access to the following types of information relating to our account:

- (1) Risk files;

- (3) Merit-rated or non-merit-rated experiences;
- (4) Other associated data.

This authorization does not include the authority to:

- (1) Review protest letters;
- (2) File protest letters;
- (3) File form *Application for Handicap Reimbursement* (CHP-4);
- (4) *Notice of Appeal* (IC-12) or
Application for Permanent Partial Reconsideration (IC-88);

- (6) Represent the employer at hearings;
- (7) Pursue other similar actions on behalf of the employer.

Completion of the temporary authorization provides a third-party administrator (TPA) limited authority to view an employer's payroll and loss experience. By signing the AC-3, the employer grants permission to the BWC to release information to the employer's authorized representative(s). The form allows a TPA to view an employer's information regarding payroll, claims and experience modification.

Attention group rating prospects

- Employers may complete the AC-3 for as many TPAs or group-rating sponsors they feel are necessary to obtain quotes for a group-rating program.
- Group sponsors must notify all current group members if they will not accept them for the next group-rating year. The deadline for this notification is prior to the first Monday in February for private employers and prior to the second Friday in August for public employers.
- All potential group-rating prospects must have:
 - Active BWC coverage status as of the application deadline;
 - Active coverage from the application deadline through the group-rating year;
 - No outstanding balances;
 - Operations similar in nature to the other members of their group.
- Any changes to a group member's policy will affect the group policy. Changes can result in either debits or credits to each of the members.

Note

For complete information on rules for group rating, see Rules 4123-17-61 through 4123-17-68 of the Ohio Administrative Code or your TPA.

All group-rating applicants are subject to review by the BWC employer programs unit.
