

Advanced Competency in Aseptic Compounding Practices

May 17 and 18,
2014

Advancing Competency in Aseptic Compounding Practices

This activity is a two-part ACPE Accredited Pharmacy Activity composed of home-study combined with two days of hands-on skill building.

Home-study Learning Objectives

At the completion of this activity the participant will be able to:
Describe the necessary facility engineering and design concept to meet and exceed standard compliancy of ISO-class environments
Discuss the standard requirements for the maintenance, monitoring and testing of the ISO class environment
Discuss key components of USP <797> and its relationship to regulatory guidelines

Live Activity Learning Objectives

At the completion of this activity the participant will be able to:
Apply regulatory guidelines, standards of practice to the practice of aseptic compounding
Demonstrate proper garbing and gowning as it relates to standard compliant aseptic compounding activities
Perform fingertip and surface testing in order to confirm proper techniques and sanitization as well as sterilization confirmation
Perform a series of aseptic techniques through the application of designed and learning procedures regarding asepsis
Review and construct a standard compliant master formulation record utilizing published research information and professional practice guidelines.
Perform and design media fill challenge tests and compliance with USP requirements

Presenters:

Ken Speidel, PharmD, BS
Adjunct Faculty, The
University of Findlay

Kenneth Latta, RPh, BS
Consultant, North Carolina
Board of Pharmacy

Location:

Cedarville University
School of Pharmacy
251 North Main Street
Cedarville, OH 45314

\$595

Per participant

The total program allows the participant to apply learned relevant scientific principles as well as current standards of practices.

CE
Hours

The University of Findlay College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education and complies with the Accreditation Standards for continuing pharmacy education activities. The home study Knowledge-based activity (UAN 0449-0000-13-024-H04-P) is approved for 2.0 contact hours (0.2 CEUs) and the live activity Application-based activity (UAN 0449-0000-13-025-L04-P) is approved for a total of 16 contact hours (1.6 CEUs). These activity will be released on September 28, 2013 and expires on September 28, 2016. A statement of credit will be issued online after the participant has completed an evaluation form using The University of Findlay learning management system.

Your CE credits will also be submitted electronically to NABP. Pharmacists or pharmacy technicians with questions regarding the NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website (www.nabp.net/programs/cpe-monitor-service) or contact NABP Customer Service: custserv@nabp.net or by phone 847-391-4406.

NABP e-PROFILE ID NUMBER: To receive credit for participation in these courses, all pharmacists must include their NABP e Profile ID number, along with their date and month of birth.

POLICY ON FACULTY AND PROVIDER DISCLOSURE – It is the policy of The University of Findlay College of Pharmacy that the faculty and provider disclose real or apparent conflicts of interest relating to the topics of these educational activities, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during the presentations. Detailed disclosure will be made available during the presentations

AMERICANS WITH DISABILITIES ACT (ADA) – The University of Findlay College of Pharmacy fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.

GRIEVANCE POLICY – A participant, sponsor, faculty member, or other individual wanting to file a grievance with respect to any aspect of an activity sponsored or cosponsored by The University of Findlay College of Pharmacy may contact the Assistant Dean for Continuing Education in writing at stanovich@findlay.edu. The grievance will be reviewed and a response will be returned within 45 days of receiving the written statement. If not satisfied, an appeal to the Dean of the College of Pharmacy can be made for review.
