This program is co-sponsored by the  
Ohio Pharmacists Association and the  
Ohio Council for Home Care & Hospice.

**There is no pharmacist CE credit  
associated with this program.**

## SAVE THE DATE: TUESDAY, OCTOBER 15

### Best Practices for Sharing Patient Information among Community Providers and Outpatient Pharmacists.

A collaborative approach is best for patients to maintain effective communication, appropriate medication management and best practices for disease management. This webinar will provide practical advice on how successful collaboration between primary care physicians, home health providers, and community pharmacists positively impact medication adherence and reduce readmission rates by improving transitions of care and reducing adverse drug events.

Home health providers and pharmacists will discuss their personal experiences, successes and challenges in effective collaboration across care settings. Participants will be encouraged to share successes and challenges during the presentation.

### Speakers

**Catherine H. Kuhn, PharmD**

Medication Therapy Management (MTM) Coordinator, Kroger Pharmacy, Columbus Division

**Janell Claudy, RPh**

Director of Pharmacy, Family Health Pharmacy

**Pamela Swarny, RPh, PharmD, JD**

Director of Clinical Pharmacy, Union Hospital

**Cathy Wiggs, RPh**

Manager of Pharmacy Operations, Union Hospital

**Deborah Albaugh, MHA, BSN, RN**

Home Health Director, Union Hospital

### Objectives

- Discuss current practices for sharing patient information between community providers and outpatient pharmacists.
- Discuss the challenges to and effective strategies for improved communication between outpatient pharmacists, physicians, home health personnel and the patient regarding medication reconciliation, adherence and patient follow-up.
- Identify transition practices between an outpatient pharmacy and a home care provider that improve patient medication adherence and reconciliation.

### Who should attend

- Home Health Administrators and Clinicians
- Pharmacists
- Physicians and Medical Office Staff
- Community Health Providers
- Nursing Home Administrators and Clinicians

1.0 hrs. continuing education contact hours for nurses will be awarded to participants who successfully complete 100% of this program. Ohio KePRO (OLN-0011-P) is approved as a provider of continuing education by the Ohio Board of Nursing through the approver unit at the Ohio League for Nursing (OBN-006-92) and provider unit status is valid through April 30, 2016.
