New Drugs

Aimee Wallace, R.Ph., PharmD

Director of Clinical Entrepreneurship, Ohio Pharmacists Association and Staff Pharmacist, Hocks Pharmacy

At the completion of this activity, the participant will be able to:

- 1. explain the pharmacology and therapeutic uses of the drugs presented that were released to market in the past year;
 - 2. list the indications and clinical applications of the drugs presented;
- 3. describe the warnings and precautions, most common adverse effects, and significant drug-drug interactions of these medications; and
 - 4. recognize important patient counseling information for the new drugs presented.

ACPE #0129-0000-14-060-L04-P 0.15 CEU

Pharmacists and Leadership: It's an Expectation

Ernest Boyd, PharmD (Hon), CAE

Executive Director and Lobbyist, Ohio Pharmacists Association

At the completion of this activity, the participant will be able to:

- 1. describe how pharmacists are expected to demonstrate leadership in the profession as well as in the community;
 - 2. identify ways to motivate volunteers and become a more effective leader;
- 3. discuss how to determine strategic direction for pharmacy and community organizations; and
- 4. recognize strategies to stimulate leadership roles and develop leadership skills necessary for advancement in the pharmacy profession.

ACPE #0129-0000-14-061-L01-P 0.15 CEU

Heart Failure Review: Current Treatment Recommendations

Aimee Wallace, R.Ph., PharmD

Director of Clinical Entrepreneurship, Ohio Pharmacists Association and Staff Pharmacist, Hocks Pharmacy

At the completion of this activity, the participant will be able to:

- 1. review the pathophysiology of heart failure;
- 2. identify pharmacologic agents used in the management of heart failure and explain the rationale for their use;
 - 3. explain current treatment recommendations for heart failure; and
- 4. discuss the role of the pharmacist in helping patients manage their medications in order to relieve symptoms and increase survival rates.

ACPE #0129-0000-14-062-L04-P 0.1 CEU

Legislative Actions: Key to Pharmacy's Future

Ernest Boyd, PharmD (Hon), CAE

Executive Director and Lobbyist, Ohio Pharmacists Association

At the completion of this activity, the participant will be able to:

- 1. identify state and federal legislation that is currently being considered and how it may impact pharmacy practice;
- 2. explain legislative proposals that could shape future pharmacy practice including pharmacist prescribing, tech-check-tech concepts, telepharmacy and expansion of the primary care role of pharmacists; and
 - 3. discuss essential ways to influence legislation at the state or national level.
