

# Faith Lutheran's Lawn Tractor Drill Team 2013

## We came, we saw, we drove

Forty-four persons supported 24 lawn tractors, a drum major, two banner carriers, and 12 adults and children riding in a covered wagon as Faith Lutheran Church's entry in the 2013 Baltimore Festival Parade. It was a glorious day for a parade and our participants had a great time. The team performed two formations, the weave and the circle drill.

In spite of the apparent complexity of our formations, no one was involved in an accident. This may have been disappointing to the parade observers, who like those who attend NASCAR, hope for the excitement of a good crash.

15% of our group were not affiliates of any church, thus making this event an opportunity for those folks to meet our members and learn more about Faith. I thank all those who joined us, especially Jon Eastep, Chris Mohler, and Greg Grube, who provided serious transportation services for many of the tractors.

Tim Tucker, coordinator

*Hi from Faith Lutheran!*

# More Faith Drill Team Pictures

*Thanks to all: Mr. Tim Tucker, Mr. Art Brate, Danielle Bruning, and Angie Kaper for these great pictures.*
