

The results of the 2013 ELCA Youth Ministry Network Salary Survey are taken from data collected in a survey at the Extravaganza, January 24-28, 2013. It is not intended to be comprehensive. The data is not intended to serve as guidelines. Rather, the survey data forms a statistical snapshot of how people in the field of youth and family ministry are compensated. New this year is the comparisons of benefits for volunteers. Network members are free to print this data to use in local congregational settings. If information from the survey is quoted, please credit "ELCA Youth Ministry Network Annual Salary Survey" and give the source as www.elcaymn.org. Thanks!
