

Connex Intl

Solutions for WFFSA Members

MeetNow® Reservationless Audio Conferencing

MeetNow Reservationless Conferencing allows you to conference with your staff, customers, colleagues, prospects and vendors at a moment's notice, 24/7. Never make a reservation, never pay a cancellation fee.

You have the flexibility to hold a meeting with up to 125 participants anytime, anywhere.

- › No reservations required – 24/7 open access
- › Dial-in number with toll-free access
- › Coordinator assistance available whenever necessary
- › Billing Code feature to track spending and simplify billing
- › Recording feature with enhanced services
- › Volume control, including muting and unmuting capabilities
- › Unique Access Code and Host Security Code
- › Post Conference Summary (PCS) reports via email

MeetingPresenter™ Web Conferencing

MeetingPresenter is an easy to use, entry level web conferencing tool that delivers face-to-face meetings virtually, with a wide range of collaborative features, priced to fit nearly any budget.

- › Unlimited web usage
- › Host meetings with up to 25 participants, on the fly or scheduled in advance
- › Meet from a PC or Mac
- › Flash-based meeting viewer – no downloads required
- › Share up to 12 webcams
- › Share PowerPoint presentations & photos, collaborate with a real-time whiteboard, and stream video or audio from your content library
- › On demand Participant Lists

Connex360 Online Account Management Portal

Connex360 is an exclusive web portal to enhance your MeetNow experience. From the dynamic interface to the simplified navigation, Connex360 was created with you in mind. Enjoy an integrated Message Center, access to PCS archives, and administrative management of your own MeetNow accounts.

Because Connex360 automatically integrates with your MeetNow account, the Launch Zone tool gives you the ability to launch, view and manage your conference online.

- › Easily dial out to yourself or any of your participants
- › Enhanced controls for mute/unmute and volume levels
- › Create and manage breakout sessions using the subconference feature
- › Lock and unlock the conference for added security

WFFSA has partnered with Connex Intl, a global conferencing provider, to bring audio and web conferencing solutions to you, our members, at discounted rates. They get the big picture and work with us to develop convenient, cost-effective solutions that really work.

In today's competitive environment, staying in touch with all the key players while finding ways to reduce costs is at the top of everyone's list. Connex has cost effective solutions to help you deliver your message effectively and instantly. Whether your audience is scattered around the US or the globe, they have tools to bridge this gap – twenty four hours a day, seven days a week.
