Mike is the Chair for the Southwest Ohio Chapter and has been an active member with ACEC Ohio for roughly 10 years. He enjoys being a part of the awareness of what's going on in the industry, helping others to be more informed as well as making a difference.

**“ACEC Ohio’s advocacy for our industry is crucial and without it some of the policies and regulations could be much different than they are today”**

Timko stated about ACEC Ohio.

Mike enjoys the networking and camaraderie amongst fellow industry leaders and competitors.
