

ACEC Northwest Ohio Chapter Leadership Profile

Name: Scot Morehouse

Chapter: Northwest Ohio

Leadership Role: Vice Chair

Company: DGL Consulting Engineers

Scot is the Chief Bridge Engineer at DGL Consulting Engineers. He started his career with DGL upon his graduation in 1983 as a bridge engineer, became a principal in 1994 and is now serving in his current role.

Scot graduated from the University of Toledo with his Bachelor of Science in Civil Engineering and has worked as a bridge engineer since that time.

Scot has been happily married to his wife, Debbie for 35 years. They have two daughters together, Taylor, 31 years old and Jordon, 27 years old as well as two grandchildren. Their only child at home is their Newfoundland, Wilma. In Scot's spare time he enjoys golfing, reading and smoking cigars.

Scot has been active in ACEC Ohio off and on for the past 20 years. He has been a part of chapter leadership for the past two years and is currently the Northwest Ohio Chapter Vice Chair.

“ACEC benefits the industry by being a resource for consulting engineering firms as well as being our primary advocate”
Scot stated about ACEC Ohio.

What Scot enjoys most about being a part of ACEC Ohio is interacting with the other ACEC Ohio members as well as the state leadership!
