

ACEC Northeast Ohio Chapter Leadership Profile

Name: Joanne Shaner

Chapter: Northeast Ohio

Leadership Role: Treasurer

Company: HDR Engineering, Inc.

Joanne is an Associate VP with HDR Engineering in Cleveland. She has been with HDR for 8 years. She manages the bridge section for Ohio, projects, and handles the business development for northern Ohio.

Joanne graduated from Ohio University with both a BS and MS. She has 23 years of experience with a background in bridge design. She started as a bridge engineer doing design and plan prep. She then moved into a project management role and eventually became the manager of the bridge section.

Her husband, Dan, is also a Civil Engineer. They have two boys, Alex and Adam, one in high school and the other middle school. They enjoy spending time outside either waterskiing, snow skiing, snowshoeing, camping, watching baseball, and a variety of other outdoor activities.

She has been active in ACEC Ohio for 5 years. She started becoming more active when she volunteered to help with the ODOT/ACEC partnering conference.

Joanne is the Treasurer of the Northeast Ohio Chapter and recently joined and became the Chair of the ACEC/OTIC Liaison Committee.

“I am very excited about both of these new roles. As a more active member of our local chapter, I hope to get more people from HDR, as well as other companies, involved in attending our chapter meetings. I hope to help promote the volunteer opportunities within ACEC Ohio and the variety of committees which are looking for help all the time” said Joanne.
