

ACEC Ohio Northeast Chapter Leadership Profile

Name: Matthew Kauizor
Chapter: Northeast Ohio
Leadership Role: Secretary
Company: CTL Engineering

Matthew is the Branch Manager, Geotechnical Engineer, Business Development for CTL Engineering. He has been with CTL for 15 years.

He graduated with his ms in Civil Engineering from Purdue University in 1991. His background is in Geotechnical Engineering Advisory.

Matthew has been married for 18 years to his wife, Michelle. They have one son that is 12 years old, and one daughter that is 15 years old; they are the most precious thing in his life. In his free time, he enjoys biking and mountain hiking, sitting and enjoying natural sceneries, and watching old Sundance movies.

Matthew has been active in ACEC Ohio for over 10 years. He is currently serving as the ACEC Ohio Northeast Chapter Secretary.

"ACEC Ohio is an advocate for engineering & for me. I am most excited to help broadcast amongst ourselves and associated organizations the value that civil engineers provide to our society, help create a culture that reject commoditization of civil engineering in particular and any other engineering services in general. I hope to learn, engage myself and be engaged," states Matthew.
