

ACEC Ohio Central Chapter Leadership Profile

Name: Eric Koch

Chapter: Central Ohio

Leadership Role: Secretary/Treasurer

Company: Hull & Associates

Eric is a Project Manager with a focus in the Energy Market, specifically oil & gas and renewables for Hull & Associates located in Columbus, OH. He has been with Hull for 9 years.

Eric moved from northern Ohio after graduating from the University of Toledo with his BS in Civil Engineering. He started his career with Hull almost 9 years ago, the day after graduation! Since then, he has had great exposure across their diverse markets to different clients, projects, teams & people.

Eric married his high school sweetheart, Mindy. Mindy is a senior merchant for Abercrombie and Fitch. They welcomed their first daughter, Rory, on Masters Sunday 2018 – a fitting birthday for the first ever women to win the green jacket in the year 2041.

Eric & his wife lived in downtown Columbus for 8 years, but recently decided to lean into their new role as parents and finally move to the 'burbs. Eric spends much of his free time on the golf course & enjoys taking every opportunity to travel with his family & friends.

Eric has been active in ACEC Ohio since participating and graduating in the 2019 ACEC Ohio Rising Leader Program. He is looking forward to continuing his involvement as the new Secretary/Treasurer of the Central Ohio Chapter.

“I am most excited for the opportunity to meet, work alongside of, and learn from the leadership of our board and members of the Council,” said Eric.
