-Alternative Delivery

Joining an ACEC Ohio committee is a good way to build a network with peers while also experiencing professional growth. Committees meet quarterly with in-person and virtual meeting options.

Click [here](#) to learn more about our committees. If you're interested you can also sign up as a volunteer [here](#)!

WHY SHOULD YOU JOIN A COMMITTEE?

ACEC Ohio is recognized as a welcoming organization where all members are included, involved, and can achieve their full potential. We are looking to improve the diversity of ACEC Ohio through membership of companies including size, location, and areas of practice.

Through ACEC Ohio's Forums, professionals are connected to a network of peers in an informal, roundtable setting. YOU can share your best practices, discuss problems and solutions, gain valuable insights into industry trends, and network with each other. So why should you join?

- Networking opportunities
- Opportunity to develop interpersonal skills that will serve you well in your profession
- Learn from others in the industry
- Give back to an industry that provides a noble service to society
- Leadership development
- Build partnerships and create a network of diverse professionals
