

ACEC Ohio

Political Action Committee

2025 PAC Report

A letter from our PAC Chair, **Dave Krock, OHM Advisors**

A BIG thank you to all ACEC Ohio member firms who supported our PAC program in 2025. We were blessed to receive financial support from 178 individuals and 7 PAC's which resulted in 52 Member firms meeting or exceeding their ACEC Ohio Goal!! Our combined donations also helped Ohio exceed our ACEC National goal for the tenth straight year – an impressive winning streak! I sincerely appreciate your vision and generosity in supporting the business of engineering.

The strength of our PAC is foundational to our advocacy efforts. ACEC Ohio works closely

with legislators in Columbus on a regular basis to keep them aware of issues impacting the engineering industry. Your support of the PAC allows us to remind legislators how important engineers are to future of Ohio as we impact every facet of the built environment with our daily work.

ACEC Ohio PAC Trustees had a busy year supporting our advocacy efforts: Dinner w/Ohio House Leadership, Dinner with Ohio House Minority Leadership, Dinner with Ohio Senate Leadership, as well as a Fly-in to Washington DC to meet with both Ohio Senators and nearly all Ohio

Representatives to Congress. Fostering relationships with elected officials is immensely important to the overall strength and influence of ACEC..... 2025 was a great year for Advocacy!

It is an honor to voluntarily serve ACEC Ohio, an organization that truly supports all our businesses. A special thanks to the PAC Trustees, ACEC Ohio staff, and all member firms in Ohio. I strongly encourage your continued support of the PAC in 2026!

Thank you,
Dave Krock, PE
ACEC Ohio PAC Chair

ACEC Ohio Northwest Chapter State Legislator Fly-In Event

2025 Senate Dinner

2025 DC Fly-In
