

Association of Ohio Health Commissioners (AOHC)

STRATEGIC PLAN 2023

MISSION

The mission of AOHC is to provide exceptional service to our members by promoting strong local public health leadership; forming meaningful relationships with local, state and federal public health stakeholders; and advocating for an effective and efficient local governmental public health system.

VISION

Leadership for a strong and effective local governmental public health system

VALUES

AOHC believes in . . .

- strong local governmental public health system to improve community health;
- empowering members in pursuit of achieving community health;
- diversity, equality and respect for our members and the communities they serve;
- advocacy for sustainable resources;
- accountability, transparency and timely communication with our members; and
- innovation, collaboration and the pursuit of excellence.

STRATEGIC PRIORITIES

FUNDING: Increase funding for LHDs & AOHC.

ADVOCACY: Advocate and support local public health in Ohio through AOHC.

WORKFORCE DEVELOPMENT: Offer training opportunities for all levels of employment at local health districts and the next generation of public health professionals.

INNOVATIVE PARTNERSHIPS : Identify need and mechanisms of providing shared services for LHDs. Improve collaboration between the governmental public health system and all potential system partners.

ENGAGEMENT: Improve communication and transparency among membership. Improve marketing and branding of public health.
