

In Person Worship- Children's Ministry will follow a variety of safety protocols:

Early Childhood Kids

- Infants-Pre-K will meet in Room 14a. Nursery banners will direct you to the correct room.
- Upon entrance, please sanitize your child's hands.
- Children 3+ will need to be masked. We will have additional masks on hand if needed.
- If your child is still in diapers, a nursery worker will text you if there is need for a diaper change during the service.
- Children will be spaced apart when seated for activities; however, they will engage in shared play experiences inside and outside when the weather cooperates.
- Individual craft supplies will be provided for each child.
- Periodic hand sanitation will take place throughout the hour.
- There will be no food or drink.
- Regular sanitation of surfaces, toys and supplies.
- All volunteers and staff will be masked.

Elementary Kids (K-6th)

- Children will begin in the worship service with their family.
- Children that would like to attend Children's Church will be led out of the service after the praise songs, and either into Room 16 (Room to the right of the Family Life Center Entrance) or outside. We will try to go outside as much as possible.
- Children will sanitize hands upon entrance.
- All elementary children will need to wear masks. Additional masks will be on hand if needed.
- Children will have their own labeled chair and will be spaced apart for Bible video; however, they will engage in shared play experiences inside and outside when the weather cooperates.
- Individual craft supplies will be provided for each child.
- Periodic hand sanitation will take place throughout the hour.
- There will be no food or drink.
- All volunteers and staff will be masked.
- Regular sanitation of surfaces and supplies.
- Pick up will be in Room 16. Look for banner outside of room.
