

CMA PPE Relief Program – Product Specs and Descriptions

BYD Care 3-ply Surgical Mask (box 50) Case count 2,000 (40 boxes of 50 masks)

Single Use Surgical Masks from BYD Care (# FE2311) provide a physical barrier that helps reduce the amount of airborne particles from entering both the mouth and nose. Each mask is constructed from a triple layer of nonwoven material that increases softness in addition to breathability for maximum

comfort. These masks also feature integrated ear loops and nose clips for a more secure fit.

BYD Care Single Use Surgical Masks Attributes: ASTM level 2, Blue, 3-ply
