COUNTY VOTED PROPERTY TAX LEVIES, TAX YEAR 2024

January 2026

The levies in the table below are “outside” or voted levies. Each of these levies was approved by the county electorate at either a general or primary election, or, depending on the levy’s age, a special election. The millage shown is the levy’s gross millage, or the millage before property tax reduction factors.

The levies shown are those for which the county is the taxing authority. In some cases, levies for multi-county agencies are included if those agencies provide a county function. This is primarily multi-county ADAMHs boards.
