County Ballot Issues – November 3rd General Election

As of November 4, 2026

County ballot issues that are slated for the November 3rd election are displayed on four tables: Table A shows property tax levies, Table B and C show sales & use tax levies, and Table D shows other ballot issues. All information is from county board of elections.

Outcomes marked with an * fall within the 0.50% automatic recount threshold.

The "Millage" column represents the total millage represented by the levy. In the case of "Renewal & Increase" levies, it is inclusive of the millage being renewed and the millage being added.

The "Purpose" column is generalized. County sales tax levy revenue are often distributed through a formula; the purpose listed is that for which the majority of revenue is used.
