

Assistive Technology Partners

SCHOOL OF MEDICINE

UNIVERSITY OF COLORADO **ANSCHUTZ MEDICAL CAMPUS**

Contributions to the CU Foundation that are designated for Assistive Technology Partners support our mission for persons with disabilities to reach their highest potential through the addition of appropriate technologies within their lives. The following are examples of how your funds can improve the lives of persons with disabilities.

- \$100 will pay for one hour of treatment for a person with a disability.
- \$700 will pay for an individual with disabilities to have an assistive technology evaluation.
- \$1,250 will pay for a full-day of professional training for up to 10 occupational, physical or speech language pathologists.
- \$7,500 will pay to set up the Adapted Home Display in a local community.
- \$10,000 will pay to update and expand available equipment for Device Demonstrations and Equipment Loans for consumers.
- \$40,000 will pay for a PhD student to have a full year research assistantship at Assistive Technology Partners.
- \$100,000 will pay for 1000 hours of faculty time dedicated to the development of new technologies.
- \$1,000,000 will pay for an Endowed Scholarship/Fellowship program to continue to build research and development capacity.
- \$5,000,000 will pay for clinic costs to support families who are unable to pay for critically needed services.
