

Outstanding Award for Excellence in Building Enclosure

This award is established to recognize the quality of design and installation of building enclosure systems. The Ohio Valley Chapter IIBEC is pleased to solicit nominations of building enclosure contractors for this award.

Projects need to meet the following criteria:

- A. Project completion between May 1, 2020 and September 30, 2021
- B. Must be a commercial, industrial, or educational building project.
- C. Located in Ohio Valley Chapter Region Region I (Includes Ohio, Indiana, West Virginia and Western PA)
- D. Design by an IIBEC Member is preferred but not necessary
- E. If Designer is NOT a current IIBEC member, one must be nominated by an IIBEC member located in Ohio Valley Chapter region.
- F. Contractor on project is preferred to be an IIBEC member but not necessary.
- G. If the project contractor is NOT a current IIBEC member, one must be nominated by an IIBEC Member

Please review the guide and attach a written description as to why you feel this building enclosure contractor should receive this award.

In addition, include the following information:

- Minimum of two (2) 8x10 photographs of the completed project
- Two (2) to Six (6) photographs of work in progress phases for presentation purposes
- Proper release from owners and photographers for all photographs submitted for use by the *Ohio Valley Chapter IIBEC* for promotion & presentation
- Completely filled out nomination form
- Attach any recommendation letters from building owners

Essays are requested to be typed, double space and approximately one page in length.

Award winners will be made from the judgement of the Award Committee

Nominations are due by July 31, 2022

*Please submit nominations to Emily Mandich at
emandich@assnsoffice.com*

The award will be recognized at the Ohio Valley Chapter IIBEC Education Days to be held in November 2022.

*Questions? Please feel free to contact Ohio Valley Chapter
IIBEC at (888) 294-0084 or emandich@assnsoffice.com.*
