Event Overview:

Join EMAO for a focused discussion on Amish health and safety considerations across Ohio. This quarterly caucus is a valuable opportunity for emergency managers, public health partners, and community stakeholders to share updates and enhance cultural understanding that can influence preparedness and response.

Agenda Highlights:

- **Statewide Overview:** An update on Amish health and safety activities, trends, and outreach efforts throughout Ohio.
- **Featured Guest Speaker – Marcus Yoder:** *Executive Director, Amish & Mennonite Heritage Center.*
Marcus will offer insights on the structure and beliefs of various Amish orders, highlighting how these cultural and theological differences affect emergency planning, communication, and community response.

Who Should Attend:

- Emergency management professionals
- Public Health and EMS officials
- Local responders and planners
- Anyone working with Plain communities across Ohio
- You don't have to be a member of EMAO to attend!
