If you would like to serve on an FPDA Task Group in the coming year, please tell us! Task Groups meet in conjunction with the Annual Summit as well as via teleconference throughout the year.

### PROFESSIONAL DEVELOPMENT TASK GROUP

**GOAL:** *Support and enhance professional development services and educational programs for FPDA members, (face-to-face events and/or online offerings)*

- Determine the continuing education needs of members and provide appropriate opportunities for members to obtain education both within the Annual Summit format and other avenues.
- Oversee M+CSP activities and Poling Scholarship.
- Work to promote FPDA participation in the University of Industrial Distribution and oversee the Tom Ralls Memorial Scholarship.

Name	Company

### MEMBERSHIP TASK GROUP

**GOAL:** *Strengthen and expand FPDA's perceived value with members and within the fluid power marketplace.*

- Regularly review FPDA member services and programs including business analytics, value partnerships, communications, and any related programs.
- Continually evaluate current services and benefits through member surveys to ensure members' needs are met.
- Create new benefits to help retain members and add value to their professional careers.
- Recommend strategies for enhancing and growing FPDA membership; identify potential distributor and manufacturer members.

## **YES TASK GROUP (Young Executives Symposium)**

Executives with corporate-level responsibilities, working for an FPDA member organization, and younger than the age of 40.

***GOAL: Provide opportunities for young industry professionals to become engaged in industry initiatives, education and networking.***

- Recruit and retain young FPDA professionals.
- Attract, serve and support new entrants to the industry and young leaders in order to strengthen their ties to FPDA.
- Explore joint efforts with NFPA to jointly educate our young professionals.
- Partner with existing initiatives to connect member companies with eligible entrants to the profession.
- Create year-round networking opportunities for YES.
