However, we expect new creative later in the year. We will send update traffic instructions when the new creative is available. Below you will find the National Guard Public Education Partnership (PEP) schedule dates. The radio spots can be downloaded at https://lmdresources.com/arng-iowa if you need to download them again.

There are :30 and :15 messages, which *now also include versions in Spanish.* Please run the appropriate announcements for your station. All National Guard spots have been cleared for web streaming/Internet broadcast.

Air Dates:

November 1, 2018 - October 31, 2019

Schedule Instructions:

Please schedule 14 to 16 announcements per week with at least 10 to 12 spots scheduled to run Monday through Sunday, 6:00 a.m. to 7:00 p.m.

When possible, front-load early in the week. While spots are subject to pre-emption, please schedule appropriate make-goods for those missed.

Please monitor the schedule to make sure you actually **average at least 15 announcements** for each week the spots are scheduled to run.

Please note that documentation for the National Guard requires the IBA to report monthly to their agency. They have also requested Notarized Affidavits or invoices on station letterhead with broadcast times, number of spots and the rate which would apply for the spots run on your station had they been billed at your current applicable rates, or the Average Spot Rate.

Please forward a copy of these instructions to your Traffic or Business Manager so we can continue to have your station provide documentation each month.

Invoices should be sent to the following address:

IBA PEP, 2104 Bittersweet Road, Marshalltown, IA 50158
