SCHEDULE INSTRUCTIONS	Please schedule 14 -16 announcements per week with at least 4 to 5 spots scheduled to run Monday through Sunday, 6:00 a.m. to 7:00 p.m.
	When possible, front-load early in the week. While spots are subject to pre-emption, please schedule appropriate make-goods for those missed.
	Please monitor the schedule to make sure you actually average at least 15 spots per week.
	Please note that documentation for the Army National Guard requires the IBA to report monthly to their agency and they have requested Notarized Affidavits or invoices on station letterhead with broadcast times, number of spots and the rate which would apply for the spots run on your station had they been billed at your current applicable rates, or the Average Spot Rate.
	Please forward a copy of these instructions to your Traffic or Business Manager so we can continue to have your station provide documentation each month.

SCHEDULE INSTRUCTIONS	The Iowa Attorney General's office reached out to IBA regarding the surge of price gouging complaints amid the coronavirus pandemic. At the Iowa Attorney General's request, IBA has created a radio and television spot for stations to air in your available space.
	These spots are not part of our PEP Program. They are a true PSA — meaning no money was exchanged.
	NO NEED TO SEND INVOICES
