

Academic Integrity Faculty Checklist

THE PROCESS

- I know what counts as cheating at my institution
- I know where to report cases
- I know the consequences for students
- I know what to do if I catch dishonest work

MY COURSE

- I address the importance of integrity beyond the classroom
- I reference academic integrity often
- My assignments line up with my course objectives and learning outcomes

MY ASSIGNMENTS

- I provide clear examples of what counts as cheating
- I scaffold large assignments
- I use multiple versions of exams

WITH NEW TECH

- I am aware of large group chat apps (GroupMe, Slack, WhatsApp)
- I am aware of tutoring websites (CourseHero, Chegg, Quizlet, etc.)
- I am aware of Paper Mills (schoolsucks.com, etc.)
- I am aware that technology is evolving

MY STUDENTS

- Know I value integrity in my course
- Know that I value their work
- Understand the purpose of my assignments
- Take ownership of their learning
