

Safety Message of the Day for IMEA Members

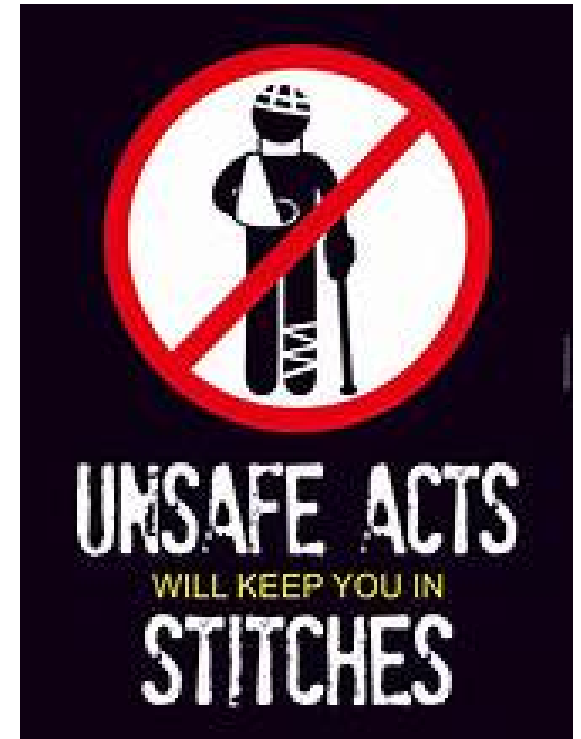

Unsafe Acts Safety Message

Unsafe acts are responsible for the majority of workplace incidents that result in injuries or property loss. Over 80% of people who are involved in an incident are at fault for it.

There are many reasons individuals do unsafe acts while at work. Some common drivers behind unsafe acts include:

- Taking shortcuts
- Being complacent
- Overconfidence
- Ignoring rules or procedures
- Poor attitude

There is a magnitude of reasons behind why unsafe acts occur. Despite what the reason may be for the unsafe act, one thing is for sure- injuries will occur over time if they continue to take place.
