

Safety Message of the Day for IMEA Members

Emergency Action Plan Safety Message

Emergency Action Plans (EAP's) are not just for workers in large plants. Mobile Line Crews should plan for emergencies too. Crew members should know how to establish an EAP for each job site and tips on conducting an effective Pre-Job or 'Tailgate' meeting to communicate to all crew members what to do in an emergency.

Most powerline crews are mobile and every job-site can present a different series of potential hazards

- Electrical
- Traffic
- Falls, Falling Objects
- Crushing / Struck-by Injuries
- Atmospheric
