

Safety Message of the Day for IMEA Members

Hazard Assessment Safety Message

Hazard assessments are simply a process of identifying hazards, evaluating the risks presented by those hazards, and managing the risks of the hazards.

- 1. Evaluate every job site, no matter how routine the job is
- 2. Determine if hazards are present
- 3. Check for hazards to:
 - eyes, exposed skin, head, feet, hands and lungs
- 4. Determine what PPE will protect against hazards
