

Safety Message of the Day for IMEA Members

Near Misses - Take a Close Look at Near Misses

A “near miss” or accident without injury is easy to shrug off and forget. But, there is a danger in brushing off accidents that don’t hurt, harm or damage. When a “near miss” happens, it should immediately send up a red warning flag that something was wrong, unplanned, unexpected, and could happen again. The next time it happens, it could result in serious damage, injury or death.
